10th August 1956]

THE HON. SRI M. BHAKTAVATSALAM : The hon. Member, who has perhaps been a member of the Board of Industries, may know more than what I do. He may put a separate question.

SRI S. DAIVASIGAMONEY : May I know whether we have got sufficient raw materials in our State for the production of films?

THE HON. SRI M. BHAKTAVATSALAM : Whether raw materials are available in our State is a different question. It is possible we may import raw materials and still make films.

SRI S. RAMALINGAM : நம்முடைய ராஜ்யத்தில் ஒரு 'பிலிம் இண்டஸ்ட்ரி' ஏற்படுத்தலாம் என்ருவது அவர்கள் சிபாரிசு செய்திருக்கிருர்களா ?

THE HON. SRI M. BHAKTAVATSALAM : நம்முடைய ராஜ்யத்தில் 'பில்ம் இண்டஸ்ட்ரி' ஏற்படுத்துவதுபற்றித்தான் இவ்வளவு பரிசீலனை, இவ்வளவு பேச்சு, இவ்வளவு கேள்விகள்.

Opening of a fertilizer factory at Neiveli

* 25 *Q.*—SRI V. R. NAGARAJAN (on behalf of Sri K. Aranganathan) : Will the Hon. the Minister for Agriculture be pleased to state the steps taken to open a fertilizer factory at Neiveli?

THE HON. SRI M. BHAKTAVATSALAM : The Government of India propose to set up a plant at Neiveli for the production of Ammonium Sulphate, Ammonium Nitrate and Urea as part of the Integrated Lignite Project. A final decision on the implementation of the Project is expected to be taken by the Government of India soon.

Factory for motor cycles and diesel trucks

* 26 *Q.*—SRI N. K. PALANISAMY : Will the Hon. the Minister for Agriculture be pleased to state—

(*a*) whether there is any proposal to establish a factory for the production of motor cycles and diesel trucks; and

(*b*) if so, the details thereof?

THE HON. SRI M. BHAKTAVATSALAM : (*a*) & (*b*) A company by the name of Enfield (India), Limited, has been granted a licence under the Industries (Development and Regulation) Act to establish a factory in Madras for the manufacture of "Royal Enfield" Motor Cycles according to a phased manufacturing programme. Similarly Ashok Leyland, Limited, has been permitted to set up a factory at Ennore for the manufacture of diesel trucks.

SRI N. K. PALANISAMY : May I know why the manufacture has been assigned to a private enterprise? Why cannot the Government run it themselves?
